Unless otherwise stated within this order, all purchase orders issued from Sagrad, Inc. are subject to these terms and conditions.

1. DELIVERY:

The Buyer's production schedules are based upon the agreement that materials will be delivered to the company by the date specified on the face of this purchase contract. Buyer will accept and consider on time delivery of goods up to 2 days before and up to 2 days after date specified on purchase contract. If the purchase order does not specify the delivery date, the Buyer and Seller must agree in writing the delivery date for such goods. If deliveries are not made within Buyer's acceptable time frame as stated above or at the time agreed upon in writing between the Buyer and Seller, the Buyer reserves the right to cancel or to purchase elsewhere, and to hold the Seller accountable therefore.

2. INSPECTION:

All goods are subject to Inspection and rejection upon receipt. Such goods may be tested to determine compliance with contract and any Seller published specifications not referenced in the contract. If any goods are defective or not in conformity with the contract, Buyer in addition to its remedies under the Uniform Commercial Code may reject such defective or non-conforming goods, require correction, or accept them with an equitable adjustment in price. Payment prior to inspection shall not constitute waiver of any rights hereunder. Acknowledgement of receipt on packing slips or bills of lading shall not constitute acceptance. Materials rejected or not conforming to this purchase contract shall be returned at the Seller's expense, including transportation and handling costs.

3. WARRANTY:

Seller warrants that all articles furnished under this contract will be free from defects in material and workmanship, and will conform to applicable specifications, drawing, samples or other descriptions, and that articles of Seller's design will also be free from defects in design. Seller further expressly warrants that all services performed under this contract will be free from defects in workmanship. These warranties shall remain in effect as to each product furnished, serviced and/or repaired hereunder, for a period of time consistent with the warranty life normally offered by the Seller. All warranties shall be construed as conditions as well as warranties and shall not be deemed to be exclusive.

4. INDEMNIFICATION:

Seller shall indemnify Buyer from any and all losses, claims, damages, expenses, or liabilities of any kind suffered by Buyer by reason of or in connection with Seller's fulfillment of this contract or in the manufacture and sale of any goods hereunder.

5. PATENTS:

Seller agrees to save Buyer, its customers, and agents harmless from any loss, damage, or liability on account of any alleged infringement of any patent with respect to any product furnished under this Purchase Contract provided that such product is not manufactured pursuant to Buyer's design. Seller also agrees that it will, at its own expense, defend any action, suit or claim in which infringement is alleged provided Seller is duly notified as to such suit. In case the product or any part thereof is held to constitute an infringement and the use of the product or any part thereof is enjoined, Seller shall, at its own expense, either procure for Buyer the right to continue using the product or any part thereof or replace same with noninfringing product or part thereof, or modify the product so that it becomes non-infringing or in the event of the impossibility of the foregoing options grant Buyer a credit for the purchase price of such product. Seller will not be liable to Buyer if any patent infringement or claim thereof is based upon the use of the product in combination with other items where such infringement or claim thereof would not have occurred from the normal use for which the product was designed.

6. CHANGES:

Buyer may at any time by written change order make changes in the articles or services to be furnished hereunder or their quantities or delivery dates. If the cost of, or time required for, furnishing the articles or services ordered hereby is increased or decreased as a result of such change order, an equitable adjustment in the contract price and/or delivery schedule will be made in the change order. If a price and/or delivery adjustment is not included in the change order, no increase in price or delay in delivery will be allowed.

6A. A waiver by Buyer of any at the terms and conditions of this Purchase Contract shall not constitute a waiver of any similar provision or other such breach. This Purchase Contract shall not be deemed or construed to be modified, amended, rescinded, cancelled, or waived in whole or in part, except by written change order hereto signed by a Buyer's authorized representative.
